The Complete Guide To Polo

Synopsis

The Complete Guide to Polo is the perfect resource for anyone interested in finding out more about this exciting game, especially those new to the sport. It discusses the history and evolution of the sport that we know today and its migration from India to Asia to Europe, and finally the Americas. It describes in detail the equipment used by both horse and rider, and offers advice on choosing one kind of equipment over another. The book covers the horsemanship skills needed to excel in the game, and breaks down the swing into bite-sized chunks for analysis. It looks at basic polo strategy, explains the finer aspects of the rules of the sport, and compares the differences between the US and UK rule books. All in all it offers a great foundation for the beginner or intermediate player, the patron, or the spectator.
