**A PRACTICAL GUIDE TO COACHING YOUTH BASEBALL
FOR COACHES OF 7 AND 8 YEAR OLD BALLPLAYERS**

KARY R. SHUMWAY

Synopsis

There are many baseball guides out there - what makes this one different? From Coach to Coach guides are age-specific, and include only the essential drills appropriate for your players. The guides focus on a manageable number of practice plans for each skill category â “ base running, throwing, hitting, and fielding â “ you wonâ™t be buried with hundreds of drills, wondering which ones work best. The guides include quick start practice plans, season checklists, and other resources that you can use to get practicing today (or as soon as the snow melts). In short, the guides include everything a new or veteran coach will need to get ready for the baseball season ahead. From Coach to Coach, I wish you a successful and enjoyable season!

Customer Reviews

The next book in Shumway's series on coaching youth baseball, this guide provides age-specific drills and practice ideas for the "Rookies" division of Cal Ripken youth baseball. Like the author's other books, it is loaded with common-sense advice on how to approach coaching a young team, complete with equipment lists, suggestions on coach-parent meetings, setting up a practice and plenty of baseball basics demonstrated in text and pictures. Shumway is the kind of guy you would

love to coach your kid.

Shumway does an excellent job of relating both his experiences and helping the non-professional coach. His series of books are great to have, and tailored to the appropriate level of both the coach and age/players. Whether you're a coach or just a dad that wants to better coach his child, they're great to have. I bought the series, and provided the same feedback for all of them.

This book is an essential guide to help keep 7-8 year olds involved and interested in youth baseball. The drills are fun, simple and most 7-8 year olds will have start to develop basic baseball skills.
