A deep in-depth analysis of what it truly means to be a child of the Most High and the steps to take to accomplish the journey to fulfill the mandate that has been given to each us by our loving merciful Father, Savior, and His Spirit. The links at the end of each chapter make the book even more precious with Ian praying the written prayers. I highly recommended this book for anyone who desires to walk in a close intimacy with our Creator.

Love that Ian shares his experiences and teaches us how to walk with God in the same way Adam, Enoch and Jesus did. These things are being opened up back up for us today because honestly, the religious system is no different than the one Jesus corrected when He was on Earth.

Exceptional, extraordinary!! I started with Volume 2 first, but soon realized I must have volume 1. This collection is genius!! It's confirmed so much too me, while stretching me to grow. Thank you Ian.
