Reliquary (Reliquary Series Book 1)

Synopsis

Mattie Carver's engagement party should have marked the start of her own personal fairy tale. But when her fiancé, Ben, is violently abducted the next morning, her desperate quest to find him rips her away from small-town life and reveals a shattering truth: magic is real—and Ben is hooked. It's not the stuff of storybooks. It's wildly addictive, capable of producing everything from hellish anguish to sensual ecstasy almost beyond human endurance. Determined to find out who took Ben and why, Mattie immerses herself in a shadowy underworld and comes face-to-face with the darkly alluring Asa Ward, a rogue magic dealer, infamous hustler—and her missing fiancé's estranged brother. Asa has the power to sense magic, and he realizes Mattie is a reliquary, someone with the rare ability to carry magic within her own body, undetected. Asa agrees to help find Ben on one condition: Mattie must use her uncommon talent to assist his smuggling operations. Now, from magic-laced Vegas casinos to the netherworld clubs of Bangkok, Mattie is on a rescue mission. With Asa by her side, she'll face not only the supernatural forces arrayed against her but the all-too-human temptation that she fears she can't resist.

Customer Reviews

Reliquary, Sarah Fine
Review from Jeannie Zelos book reviews
Genre: Romance, Sci-fi and Fantasy

Well, this was a treat â “ a book about magic, different sorts and people that can hold it, use it, sense it and those that become addicted to it all in a world where most people have no idea it even exists. Mattie is a great girl, strong and caring, and when her fiancÃ© Ben is abducted she feels not enough is being done to find him so takes her own tracks. Sheâ™s shocked to find heâ™s ensconced in the world of magic, something heâ™s kept hidden from her and at first sheâ™s convinced itâ™s all some kind of trick. She learns things about him that shock her, and discovers too that she has a rare talent for carrying magic in her body, enabling it to be transferred to somewhere else. That makes her very valuable to certain people. In her search for Ben she comes across his estranged brother Asa, who at first seems to live up to his reputation as a surly, aggressive criminal, but along the journey we see another side to him, and I really liked him. Out of him and Ben Iâ™m solidly on team Asa! The search takes the two through a dangerous path, travelling across the world, meeting with violent leaders within the money and power driven world of magic, whoâ™ll stop at nothing to get their hands on what they want. Mattie and Asa are walking a thin line and risking their lives, not just once but time and time again to rescue Ben. Despite his deception Mattie is still determined to rescue him. It's not a book with a cliff-hanger ending, but stops in a natural break but still, I want more, Iâ™ve become a real fan of Asa and the way he and Mattie have such chemistry â “ for me heâ™s a far better person and fit for Mattie than Ben.

Warning: this is an adult book, and for the eyes of mature readers
Summary (from Goodreads): Mattie Carverâ™s engagement party should have marked the start of her own personal fairy tale. But when her fiancÃ©, Ben, is violently abducted the next morning, her desperate quest to find him rips her away from small-town life and reveals a shattering truth: magic is realâ” and Ben is hooked. Itâ™s not the stuff of storybooks. Itâ™s wildly addictive, capable of producing everything from hellish anguish to sensual ecstasy almost beyond human endurance. Determined to find out who took Ben and why, Mattie immerses herself in a shadowy underworld and comes face-to-face with the darkly alluring Asa Ward, a rogue magic dealer, infamous hustlerâ” and her missing fiancÃ©â™s estranged brother. Asa has the power to sense magic, and he realizes Mattie is a reliquary, someone with the rare ability to carry magic within her own body, undetected. Asa agrees to help find Ben on one condition: Mattie must use her uncommon talent to assist his smuggling operations. Now, from magic-laced Vegas casinos to the netherworld clubs of Bangkok, Mattie is on a rescue mission. With Asa by her side, sheâ™ll face

not only the supernatural forces arrayed against her but the all-too-human temptation that she fears she can't resist. What I Liked: It breaks my heart a little, to give this book a less-than-super-positive rating/review. If you've been following me and my blog, you know how much of a Sarah Fine fan I am.
