Get Lucky: A Stand Alone Romantic Comedy

Synopsis

What happens when you wake up in a hotel suite next to a gorgeous naked man with absolutely no memory of the past twelve hours? I guess it's true what they say. What happens in Vegas stays in Vegas. Or at least I hope it stays here. The Romantic Style convention was meant to be a weekend of raucous fun with friends, sun, and enough poolside margaritas to forget about my ex. But now, instead of meeting my fans and signing books, I'm stuck with cocky divorce lawyer Nate Wexler. He's arrogant, infuriating, and I can't keep my hands off of him. Judging by the state of our hotel room, last night was wild. I just wish I could remember it. A pair of matching tattoos. A cheap wedding veil. A half empty box of glow in the dark condoms. What the hell just happened?

Customer Reviews

Holy funny, batman!! I seriously dare you to read the first chapter of this book and NOT want to finish it. You won't be able to resist! From the first pages, I was hooked on Get Lucky. Lila Monroe is freaking hysterical. Comedy in Romance books is not an easy feat, and it doesn't

always hit the mark, but I swear to you, this book brings the LOLâ™s hard! I even woke up my kids last night from laughing about an asslicking joke. Needless to say, I didnâ™t explain what was so funnyâ | I just ordered them back to bed! Haha! loved that this âœwhat happens in Vegasâ • story was so different from the typical âœwe woke up together now what do we doâ • kind of book. As we get to know Nate and Julia we also get to know what happened on their Hangover-type escapades over night in flashbacks. Sometimes flashbacks in books donâ™t quite work and I feel like Iâ™m all over the place â “ but in this case they are perfectly timed and drive the story forward. Well done, Lila! I think the way this book is set up makes it feel fresh and unique and really allows you to get sucked into the story. I loved that Julia was a romance author and the story was partially set at a book convention. It made it fun and relatable, plus it allowed for some of the crazy stuff that happens at those types of things to be included. And Nate, being the uptight lawyer when heâ™s sober, but a damn alpha-male hottie when heâ™s drunk and lets loose, was freakinâ™ awesome. He had the most growth as a character but you could tell it wasnâ™t a total change â “ it was more of him letting his real self out to play. These two are total opposites but they were perfect for each other. The shenanigans that Julia and Nate go through on their drunken Vegas night are downright hysterical and freakinâ™ HOT!
