Lady Grace's Husband Hunt (Regency Seasons Novellas Book 9)

Synopsis

Hiding behind her quick wit and biting tongue, the last thing in the world Lady Grace Post wants is a husband. After all, if she can't have the love of her life, why would she want some other man? Unfortunately, her Machiavellian matchmaking great-uncle, the Duke of Danby, has other plans for Grace and has decided it is past time for her to be wed. To keep the duke from selecting a fellow she doesn't want, Grace begins her great husband hunt, very aware that her time is ticking away. Oliver Ashbee, Earl of Prestwood, has never gotten over Grace. Watching her from afar, as she dances and flirts with other men, is enough to drive him to an early grave. Things would be different if he could court her, if he could hold her, if he could kiss her again. If things had been different she'd have been his wife long ago. But things aren't different. Or are they?

Customer Reviews

I have a confession (of a sort) to make. I rarely read the book blurbs or reviews. I buy a book because I know/like the author or cover picture. That's why I picked up this book. Well, you can imagine my surprise that when I started reading I met some familiar and beloved characters – the

Post triplets and the match-meddling Duke of Danby. I know who they are, but you certainly don't have to know anything about them to enjoy this story. Lady Grace Post is about to become engaged. At least she thought so until her love, Oliver, heir to the Earl of Prestwood shows up at her home. Instead of asking her brothers for permission to marry Grace, he has some bad news for Grace. It seems that his father had betrothed Oliver and his two sister years ago. He was engaged to a little girl and there is no way he could marry Grace. Four years later, Grace is using the London season to find a husband. It seems that her ever match-making great uncle, the Duke of Danby, has gotten the 3 Post triplets on his radar screen and Grace wants to beat him to the punch by picking her own husband. He has already matched one of her sisters and she doesn't want to be the next to go. Throughout the season, Grace keeps coming into contact with Oliver, and it hurts. She still has feelings for him but they can't act on those feelings. She sets her sites on Daniel Lacy, a nice friendly gentleman. It's not a love match but most ton marriages aren't. Oliver has been in the country with his family. His sister's husband was killed and his sister was too sick and pregnant to move. When the family is finally able to move back to Oliver's estate (neighboring Grace's brother's) Oliver finds that not only is Grace betrothed but she will be married within the week. This is where the Duke of Danby comes in.
