Ghost In The Winds (Ghost Exile #9)

Synopsis

The Apotheosis has come at last, and it will shatter the world. CAINA is trapped in the ruins of an ancient necromancer's tomb. Unless she escapes the lethal trap, there will be no one to stop Grand Master Callatas from unleashing the Apotheosis. KYLON is desperate to save Caina's life. The deadly Red Huntress is coming for Caina, and only by the sacrifice of his own life can Kylon save Caina from the Huntress's blade. Or the Red Huntress might simply kill them both. CALLATAS is ready to call the Apotheosis and create a new humanity to replace the old. Of course, the old humanity will have to die first...every last man, woman, and child. And he will start with Caina Amalas. ABOUT THE AUTHOR Standing over six feet tall, USA Today bestselling author Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works. His books have sold a half million copies worldwide. Visit his website at: <http://www.jonathanmoeller.com>

Customer Reviews

If you liked the other 17 books in the series, you'll like this one ... um, MORE! Nearly every significant character in the Exile series appears and all of the loose ends and threads are tied together in this excellent book. If you were waiting to see what reviews are like for the whole series before starting it, the whole series is great. Caina is a really compelling main character, the world is fantastical, the plots solid, and the action relentless (in a good way). I've no complaints about any of it.

The finale to his second Ghost series is spectacular. Jonathan really went all out, 'guns blazing', for this story! Some larger than life scenes that made me savor his imagination, and sorrowful scenes, and battle ones, and humorous ones. While the finale does not leave you hanging, it leaves the door open to a third series, whose plot is announced at the end. Needless to say, I'll be buying the future books too.

There are many threads that have been laid out in the series and lots of unsolved mysteries. This final chapter manages to keep the suspense and action alive until the very end. It is not common to see an ending that ties up so much without grinding to a halt.

This was a fantastic end to the Ghost Exile series and kept me on my seat until the very end. As always, a wonderful addition to my library from Jonathan Moeller.

Loved the entire series. I would recommend this series of books to everyone I know. I hate to see this chapter end but I look forward to the next adventure.
