In The Interim: Strategies For Interim Ministers And Congregations

Synopsis

A period of interim ministry poses unique challenges and opportunities for both congregations and ministers. Much more than a "caretaker" ministry, an interim ministry can help a congregation navigate and get the most out of a time of transition. In this practical and insightful volume, interim ministers and other congregational leaders provide a road map for a transformative and fulfilling interim period. Barbara Child is a retired Unitarian Universalist minister and accredited interim minister who served continually in interim ministry for more than a decade. She lives in Nashville, Indiana. Keith Kron is the director of our Unitarian Universalist Association's Office of Ministerial Transitions. Previously, he was director of the UUA's Office of Bisexual, Gay, Lesbian and Transgender Concerns.

Customer Reviews

This is a wonderful book for church leadership wanting to learn how to handle the transition between ministers. Our church is going into this process shortly, and I am recommending that all our leaders read this book.

Well written by experienced interim ministers living the work with a variety of congregations. Pick and choose chapters depending upon information you need. This is an important resource for interim ministers who wish to refresh their knowledge about different situations/areas and congregations who wish to understand what's going on during this important transition time.

A lot of overlap/repetition between chapters. Works well if you are willing to quickly skim the parts you do not need to read.
