Foil Fencing: The Techniques And Tactics Of Modern Foil Fencing

Synopsis

The definitive guide to this increasingly popular sport. In this comprehensive guide to the practice and techniques of fencing, John 'Jes' Smith, one of Britain's foremost fencing masters, provides an essential reference work for newcomers to this fascinating sport. Informative and practical, Foil Fencing covers both basic and more advanced techniques, and offers expert advice on how to get the most out of your fencing training.

Customer Reviews

Hi, I've been foil fencing for about 3 years at a club level. The pictures in this book are clear, and the entire book is information rich, meaning you won't get a lot of extra words on the page unless it is dense with pure fencing instruction. Highly recommended, especially since most other books are not foil fencing specific.
