- Hydroponics, Automated  
Cultivation Systems And Modern  
Greenhouse Technologies  
(CANNABIS SCIENCE, Cannabis  
Cultivation, Grow Ops, Marijuana  
Business Book 1)**

## Synopsis

Grow More Potent Buds - The Latest In Cannabis Cultivation Technologies and Systems  
Cultivate the HIGHEST QUALITY Plants for a Successful Grow Op  
A Knowledge Powerhouse - This book contains future growing methods you do not want to miss out on!  
The Cannabis Industry has reached a value in excess of \$35 billion. As the production of marijuana increased exponentially, the last few years have seen a metamorphosis of cannabis to higher grades in various jurisdictions. The higher potency could also be ascribed to acquisition of more scientific knowledge by the cultivators.  
Now you can learn How To Get Higher Levels of THC and Long-Term Potency by learning the dynamics of Modern Horticulture.  
Appropriate scientific and technical knowhow would be imperative in healthy and high quality harvests. The cultivation techniques in place are now quite different from what was commonplace 3 to 4 decades ago. The ultra-modern equipment employed in Hydroponics Cultivation Systems says a lot about the quality of today's cannabis. Thousands of cultivators have taken advantage of the legalization of cannabis at the state level, and are now growing marijuana at all levels, from a few plants, to small scale and to large scale.  
This Book Will Teach You...  
How to yield higher levels of THC and long-term potency in your cannabis plants  
The Raw Materials and Equipment Needed for Successful Farming  
The Flood and Drain System  
Modern Greenhouse Technologies  
Deep Water Culture (DWC) and Top Feed  
Aeroponic Growing Systems  
Indoor, Outdoor and Greenhouse Growing Systems  
Propagating, Transplanting, Harvesting and Curing  
The In-Depth History of Cannabis and the Medical Marijuana Industry  
Proper operations of Attached and Detached Greenhouses  
How To Control Indoor Temperatures, Maximize Light Intake, Keep Your Costs Down, and Maximize Crop Production  
Frame Structures and Glazing in the Construction of a Greenhouse  
Computerized Control Systems  
Equipment and Facilities for a Medical Marijuana Greenhouse  
And many, many more!  
Now is your opportunity to be a serious part of a billion-dollar industry as of 2015!

## Customer Reviews

I bought this one for a research project. Just what I was looking for.

Basic useless information. If you were born under a rock you should check out this book, if not read something else.

Way to basic a book. Every ounce of info in this book could have been found in a google or Wikipedia search...

Waste of time
