Warrior's Vow: Alien Warrior Science Fiction Romance Yadeshi Brides Book 2 by Emma

Alisyn This was a fantastic Sci-Fi romance . It will always keep you on the edge of your seat and you will want to keep reading because you don't want it to end. The storyline is so perfectly woven together by Emma Alisyn. I love the fact that her heroes are the most unlikely people. If you enjoy alien races and galaxy exploration you will simply love this world that Emma Alisyn has created. WOW I absolutely love the storyline of good versus evil with the surprising twists and turns in the story. This storyline has a wonderful balance in this book of love, thrills, danger, action, adventure, suspense and science fiction. This book is good for young adults, adults and seniors. I am looking forward to reading the next book in this series. The storyline is well written and is strewn across worlds bringing an amazing group of characters together in a struggle between good, evil and the destruction of peace in the galaxy. What's not to love? Great character development that makes you want to see where they end up in the next book. I am a huge fan of Emma Alisyn writing. Warrior's Vow is possibly one of the best Yadeshi Brides Book 2 story yet. Of course I needed a box of Kleenex for my tears (but I must say I cry easy these days) and I could have used a fan to cool down it's hot, I laughed out loud which makes me love and appreciate Emma writing even more. Omg you won't regret the difference there is between what seem like reality throughout the storyline. The characters are like real people, with today's real life experiences that resonate with me. I love getting to visit with the characters from book 1. I like the fact that I find new passions to love in Yadeshi Brides Book 2.
