From USA Today bestselling author Lola Kidd comes a dazzling new series for fans of Twilight, A Shade of Vampire, and the Vampire Diaries. Attacked by demons, kidnapped by vampires. Hailey Martin awakens to a new world filled with supernatural threats. She has no idea where her family is and has no idea where to turn for help. Her vampire captor, Gabriel Royal, assures her that heâ€™s a friend. Heâ€™s only trying to protect her and keep her safe. If she were to leave his familyâ€™s home, her life would be in danger again. He promises to help Hailey find her family as long as she stays with him. Desperate for answers, she has no choice but to trust him. While they search for information about her family, Hailey is swept into the seductive world of Gabriel and his family. As she gets closer to the brooding vampire, she realizes sheâ€™s in danger of losing something more precious than her freedomâ€”her heart.

Customer Reviews

The Vampire's Claim (Blood Royals)I love paranormal romance of all kinds and Lola Kidd, one of my favourite authors in the genre has begun a brand new series featuring vampires, but I've only read her hot shifter stories before so although I had some idea of what to expect from 'The

Vampire's Claim', the first book in the Blood Royals series, in terms of writing style, the actual story was very different from what I imagined it would be. It waded into the action from the first page and I was immediately hooked on this story which is as much crime thriller as it is magic and mayhem, but if you're hoping for lots of steamy bits and a happily ever after, you're not going to get it.... at least not in this book. Hailey Martin has had a few shocks in the last day. First her mother is killed in a car accident, then her father starts acting very strangely, even more strangely than usual, carrying a gun, continually checking what's going on outside the window and telling them her mother was a Queen Witch amongst other revelations. Her self-centred younger sister Lila couldn't care less and only makes the situation worse, until she thinks there's something in it for her. Frustrated, confused and disgusted, Hailey is afraid of what the future holds and money troubles are her biggest worry, until the room fills with smoke... Amelia, Vampire Princess and owner of The Chateau hotel is beside herself worrying about the danger to her clan after Mona Martin and her two vampire bodyguards die in a car accident.
