Battletech Tactical Kit (Battletech (Unnumbered))

Synopsis

Tired of hunting for a specific table in a rulebook? Wish you had heavy-duty reference cards for Tactical Operations game play like that found in the 25th Anniversary Introductory Box Set? Then the Tactical Kit is for you! The Tactical Kit contains thirteen heavy-duty cards of compiled tables from Tactical Operations. Tactical Operations is required to use the Tactical Kit (compiled tables reflect corrected second printing).

Customer Reviews

Very helpful for referencing the advance rules that you wish to use. About half the tables are extra weapons and equipment that probably won't see much use, unfortunately. As per their other kits, page numbers to reference the rules for the tables are provided.

Well, they are worth it if you use the Optional Rules from Tac-Ops. Definitely Get Tech Ops if you plan on using these as the contextual information is crucial.
