101+ Volleyball Tips: How To Get Recruited For College Volleyball

Synopsis

Do you want to play college volleyball? If so, "101+ Volleyball Tips: How to Get Recruited for College Volleyball" is for you! As a four-year NCAA college volleyball player and later college coach, author MacKenzie Aries helps you understand what you need to do in order to get recruited to play college volleyball. This book is perfect for both athletes and parents to understand what they need to do in order to be noticed by college coaches, and to have the best chance of being recruited. The fact is that many great players get overlooked because they do not know how to market themselves correctly to college coaches. This book will help you put together a compelling recruiting profile that emphasizes your strengths and potential to collegiate coaches. You do not need to spend a ton of money on recruiting services. The best person to market yourself is you, and this book will lay out everything you need to know about how to get recruited to play volleyball in college. The recruiting process can be intimidating, but it doesn't have to be. This book will help you through the challenge and make sure you are on the right track to be recruited. Inside you will find a checklist for communicating with college coaches, information on NCAA compliance, how to choose a college, how to choose a division, a year-by-year guide, information on how to communicate effectively with college coaches, how to set up your recruiting profile, how to approach collegiate visits, information on athletic scholarships, how to make recruiting videos, and much, much more! Are you ready to get recruited?

Customer Reviews

Great overview of the entire recruiting process from the perspective of not only players and parents, but also from what the college volleyball coach wants and needs to say. The timeline checklists are helpful to keep us on track for the tasks we have to accomplish. Perfect insights and examples of how everything works. GREAT!

This is the perfect book to list the steps a volleyball player has to complete to get considered for a college scholarship. The handy checklists, the listing of the rules regarding contact with the coaches and the many practical tips make this book a handy roadmap for any aspiring player. The suggestions for what to include in youtube videos saves a lot of time. Most importantly, understanding, from the perspective of a college coach, what they are seeking in a player helps tremendously.

Great tips and information to help with the recruiting process.
