Customer Reviews

Sure you could buy some dusty old tome like The Grapes of Wrath to impress and pick up chicks, but why bother when you can read the funniest series ever written in the history of man. Read these books and you won't EVER have to worry about picking up chicks again!

Raunchy, Irreverent, and Awesome.Contains the following stories, with my thoughts on the best parts (minimal spoilers):Djinngle Bells: "Jin was the Smoke Monster"Genital Harpies: The discussion of Ogre's Satisfaction by BugbearsThe Unwashed Asses: Cooper's definitions of

amphibiousB.Oar Guests: The feather dusterWight Trash: Julian's best misunderstandings since the drowProbing The Annis: Cooper's probing mistake

I have enjoyed this series from the first book to this latest collection. He has done it again with humor and charm and dick jokes. I can't get enough of the C&C world and enjoy each of my visits to it. My only problem is that there are not more books to read.

I love these stories. There is nothing that really lives up to then after you get hooked.
