A Mate For Gideon (The Program Book 2)

Synopsis

Standalone Vampire Novel Have you ever wanted to date a vampire? Human women required. Must be enthusiastic about interactions with vampires. Must be willing to undergo a stringent medical exam. Must be prepared to sign a contractual agreement which would include a non-disclosure clause. Limited positions available

Jenna has a few skeletons in her closet. One of which is tall, dark and gorgeous. He also happens to be a vampire with a grudge against her. She's made mistakes and has done things she's not proud of. The time has come to take charge of her life. The opportunity to do just that comes along in the form of an acceptance into the infamous vampire program. Would she like to date a vampire? Hell yes! But not just any vampire, her vampire. That is, if he'll ever forgive her. With such a dark past, she worries whether she'll ever be able to confront him and in so doing, bare her soul to him. It would kill her to see the disgust and contempt in his eyes when he finds out...her heart clenches and her eyes mist at the thought. Gideon is almost brought to his knees, when he realizes, that Jenna is one of the females that's taking part in the dating program. His Jenna. No! Not his. Not anymore. What the hell is she doing here? With all he knows about her, there's no way that she was able to meet all the minimum criteria required for acceptance. Not a damned chance! He's not interested in her or any human female for that matter. That said, he also refuses to just stand by and watch her get seduced by one of the victorious ten, elite males. His only option is to find a way to expose her as the deceptive female that she is. The story contains strong sexual themes/language and is not intended for readers under the age of 18. Although this is a standalone novel, it would be best enjoyed as a part of the series. No cliffhanger!

And may I just say WOW! I love it! She never fails to tease, tantalize and titillate her readers. I was completely captivated from page one and simply could not put this book down. Oh yes, this book has it all. Love steamy passion and dreamy romance? Well, it's included. Want danger and drama laced with a little intrigue and suspense? Yep, it has that too. Thrills and chills? Most definitely! Have to have spine-tingling plot twists? Well, your in luck because they're also included. Prefer a little humor? Absolutely! As I said - this book has it all. I laughed! I cried! And I found myself holding my breath! Yes, it's that good! So, what are you waiting for? Grab it and start reading. And the best part - these books are all standalone stories with NO cliffhangers! Woo-Hoo! The story is original, unique, well crafted, fast-paced, cute, fun, romantic and seductive. Heck, I'm 63 and even I wanted to apply for "The Program." The narrative is exceptionally well written in the third person with alternating his and her points of view. The dialogue is smart, snappy, well executed and flows seamlessly. The entire book is extremely well edited which is always a big plus for me. The characters shine as brightly as the beacon of a lighthouse. They are captivating, fascinating, engaging, endearing, sexy as sin and at times, laugh out loud funny.
