A Mate For Kai (The Program Book 6)

Synopsis

Vampire Novel Human women required. Must be enthusiastic about interactions with vampires. Must be willing to undergo a stringent medical exam. Must be prepared to sign a contractual agreement which would include a nondisclosure clause. Limited positions available

Whilst on duty in Sweetwater, Kai disappears for a couple of days. All his superiors know is that he was with a human female. Based on the limited information he's disclosed, they suspect that she might have been in heat. This could spell trouble for the vampire species. The male isn't talking. He won't disclose her identity. Won't say a damned thing. Hopefully there won't be any comebacks. Hopefully it's the last they'll hear of it

This book can be read as a standalone but would be best enjoyed as a part of the series. No cliffhanger! The story contains strong sexual themes/language and is not intended for readers under the age of 18.

Customer Reviews

I really enjoyed some of the other books in the series but not so much with this one. There were two things that I liked about this story. The first couple of smex scenes were hot. Also the hero and

heroine were faithful to each other including during a separation which is always something I want in my romance stories to include. Why not a 3 or 4 or 5 star review? A couple of things. SPOILER The story started off good but then fizzled. Despite the story initially having hot smex scenes, I did not feel any burning chemistry or wanting between them. Ruby and Kai were not a couple for most of the book, which was annoying. It took them too long to get together. No real urgency between the two of them to be with each other. In the beginning of the story she forced herself on Kai. She ran after him while he was trying to leave her and made him be with her. Until the end of the book Kai did not want to mate with her, mainly because he felt he could not trust her and didn't want to be forced to mate with her. While understandable because of what she did, I want heroes to passionately want the heroine. That did not happen here, at all. For the majority of the story the hero had no future romantic plans with her nor even expected to get physical with her again. I had problems with Ruby's behavior. First, what she did to him is a scuzzy low thing to do to someone. Her reasoning is bs. She did it because she wanted to, not for some noble reason. The girl was horny and wanted to pick who to be with regardless of the fact that person did not pick her. Also while she was not happy about it, Ruby accepted that Kai might have smex with OW when he took their blood. What is wrong with her? How is that ok?
