Fly Fishing For Steelhead Nez Perce Country Snake River Tributaries Volume II

Synopsis

This book provides information on fly fishing for steelhead on the Snake , Clearwater, and Grande Ronde Rivers in Idaho and Washington. It provides additional information on history, anglers, and stories that was published in Volume 1 in 2006. Due to publishing constraints this information was not included in Volume 1. Many new anglers are introduced along with their recommendations on fishing, patterns, and techniques. It is a must read for any one interested in steelhead and provides valuable insights on recovery and restoration by anglers who have fished these rivers for many years.
