# The Persuader's Black Book: How To Use Conversational Hypnosis To Make Others Do What You Want!

## Synopsis

In this latest book you'll learn conversational hypnosis from a unique perspective. You'll learn some fundamentals and then quickly progress into some master level lessons. This book teaches the student to think for themselves when it comes to the learning and application of conversational hypnosis in the context of changing minds and persuasions. You will learn the linguistics of the Milton Model, followed by an easy to understand lesson in conversational hypnosis, proceeded by advanced learnings in conversational hypnosis. By the end of the book you will be able to apply what you've learned and achieve being able to hypnotize anyone by simply having a normal conversation with them. If you want to change minds and persuasions and influence people to do what you want them to, then I suggest you own this book. It works. I promise. Hurry! Grab your copy now.
