The Baffled Parent's Guide To Great Basketball Plays

Synopsis

From one of the most highly respected college coaches in the nation, the only book to show how to teach winning basketball plays to kids age 14 and under Like no other, The Baffled Parent's Guide to Great Basketball Plays gives you a total playbook for coaching middle and junior-high schoolers through the ins and outs of on-the-court tactics. NCAA coach Fran Dunphy provides 75 winning plays complete with easy-to-follow instructions on how to execute each move for maximum scoring.

Customer Reviews

This book sets basketball out for who the title says it's for. It does get a bit "high tech" in places and I could not possibly image running plays where 5 guys have to be in a set position, however it is still good and highly recommended.

This book is perfect for students of the game of basketball. It's text and diagrams are perfect for both aspiring coaches and players.It does not speak much to skills, but, in my opinion covers both offensive and defensive sets & plays very well. I recommend it to any player or student of the game.
